#10: Reduce inequality within and among countries

What can we do?

- Bluefish contribution
  - By providing affordable medicines to all we contribute to a more equal opportunity to get medical treatment
  - We work actively against discrimination of all kinds within the company and with our partners
  - Supporting undercast children to higher educations through Shanti Bhavan in India
  - Respecting staffs at all the levels and providing opportunities to all to explore and grow.

- What can we all do?
  - Contribute actively against discrimination out side work and be engaged in our local society
