

## Privacy Policy

### 1. Introduction

Bluefish Pharmaceuticals AB and its affiliates (“**Bluefish Pharmaceuticals**”, “**we**”, “**us**” or “**our**”) are committed to protecting your privacy as a customer, website visitor or other third party, such as a contact person of a company or other organisation which we collaborate with. This policy aims to explain how we collect and use your personal data in accordance with applicable data protection legislation as well as how you can exercise your rights.

If you have any questions or requests relating to this privacy policy, the processing of your personal data or who is the data controller in a specific situation, please contact us using the contact details set forth in section 11.

### 2. What information is collected and for what purposes?

- Administer our relationship with you and/or the company you represent, such as Name, Phone number and E-mail address as our legitimate interest
- The processing of financial data, such as credit card number or bank account number that is necessary to fulfil a legal obligation that is required from us
- All personal data of employees that we handle under work contract
- Personal data that we handle under recruitments with your consent
- Personal data if you send a medical inquiry, adverse event, or quality complaint
- Provide you with online services and/or e-mail notifications when you register/subscribe to our website, such as Name and/or E-mail addresses with your consent or as our legitimate interest
- Use data analytics to study how visitors use our website in order to improve the website.

In addition to the personal data that you provide to us, we may collect information from third parties, e.g. your employer, an information services company, an authority or other public registers.

If you do not provide certain information when requested, we may not be able to perform a contract we have entered into with you, use our services we provide on our website and/or be prevented from complying with our legal obligations.

We will not use automated decision-making or profiling and we will only process your personal data for the purposes stated in this privacy policy. Should we process data for any other purpose than what we collected the personal data for, we will inform you accordingly.

### 3. To whom is your personal data disclosed?

In addition to the disclosures reasonably necessary for the purposes identified elsewhere in this privacy policy, we may disclose information about you:

- to companies within our company group to the extent required to fulfil the purpose of the processing of your personal data;
- to our service providers who may only process the personal data on our behalf;
- to the extent that we are required to do so by law;

- in connection with any legal proceedings or potential legal proceedings;
- in order to establish, exercise or defend our legal rights (including providing information to others for the purposes of fraud prevention and reducing credit risk); and

We will not sell your personal data to third parties.

#### **4. Where is your personal data located?**

Information that we process about you may be stored and transferred between any of the countries in which we operate, in order to enable us to use your personal data in accordance with this privacy policy. Your personal data may be stored and transferred to countries which might not necessarily have data protection laws equivalent to those in force in the European Economic Area (“EEA”). However, we will take all reasonable technical, organisational and legal measures to ensure that your personal data is securely processed, providing an adequate level by Binding Corporate Rules (BCR), Safety Certificate Contractors (SCC) of protection compared to the level of protection offered within the EEA.

#### **5. How is your personal data protected?**

We will take adequate security measures to prevent any accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to your personal information.

#### **6. For how long is your personal data saved?**

We will only save your personal data as long as necessary in order to achieve the purpose it was collected for or as required in order to comply with retention periods under applicable law.

To determine the appropriate retention period for personal data, we will consider the amount, nature and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which the personal data is processed for and whether we can achieve those purposes through other means, and the applicable legal requirements.

#### **7. What are your rights and how can you exercise them?**

##### **7.1 Right to access your data**

You may instruct us to provide you with a copy of the personal information we hold about you. Provision of such information is generally free of charge but may under certain circumstances be subject to the payment of a fee.

##### **7.2 Correction, deletion and restriction**

You may request us to correct any incorrect information we have about you as well as to delete any information that is no longer necessary for the purpose it was collected for and/or to restrict processing of your personal data under certain circumstances. However, certain legal obligations may prevent us from immediately correcting, deleting and/or restricting certain information.

##### **7.3 Data portability**

Under certain circumstances, you have a right to receive any personal data that you have

provided to us and to have the personal data transmitted to another data controller.

#### **7.4 Recall your consent**

If we process any of your personal data based on your consent, you may recall your consent at any time.

#### **8. How are links to third party websites managed?**

The Bluefish website contains links to other websites. This privacy policy does not cover the links within this website linking to other third-party websites and we are not responsible for the privacy policies of such other third party websites.

#### **9. How does this website use cookies?**

You can read about how we collect and use cookies in our Cookie policy.
